Description:

Forget about drilling, filling, and the inevitable billing. Your teeth can heal naturally because they were never designed to decay in the first place! They were designed to remain strong and healthy for your entire life. But the false promises of conventional dentistry have led us down the wrong path, leading to invasive surgical treatments that include fillings, crowns, root canals and dental implants.

Now there is a natural way to take control of your dental health by changing the food

that you eat. *Cure Tooth Decay* is based upon the pioneering nutritional program of dentist Weston Price, former head of research at the National Dental Association. Dr. Price's program proved to be 90-95% or more effective in remineralizing tooth cavities utilizing only nutritional improvements in the diet. *Cure Tooth Decay* is the result of five years of research and trial and error that started as one father's journey to cure his daughter's rapidly progressing tooth decay.

With *Cure Tooth Decay* you will join the thousands of people who have learned how to remineralize teeth, eliminate tooth pain or sensitivity, avoid root canals, stop cavities - sometimes instantaneously, regrow secondary dentin, form new tooth enamel, avoid or minimize gum loss, heal and repair tooth infections, only use dental treatments when medically necessary, save your mouth (and your pocketbook) from thousands of dollars of unneeded dental procedures, and increase your overall health and vitality.

Cure Tooth Decay provides you with clear and easy to understand dental facts to help you make healthy, life-affirming choices about your dental health. It is about healing cavities without dental surgery or fluoride.

Cure Tooth Decay highlights include:

- conventional dentistry's losing war against bacteria,
- why people fear the dentist and what you can do about it,
- a cavity-healing program that is easy to follow,
- the cause of dental plaque and an amazing technique to reverse gum disease,
- understanding ideal jaw position and TMJ dysfunction,
- x-ray proof that cavities can heal,
- how to heal children's cavities and find peace,
- why women get cavities during pregnancy and how to stop it, and so much more.

Note: *Cure Tooth Decay Second Edition* is available on Amazon. Search Amazon for ISBN # 0982021305 for free shipping and a lower price on this same book.

(Cure Tooth Decay Tour Part VII). Cavities Can Be Cured! Caption: "After the nutrition was improved, the tissues of the pulp built in secondary dentine thus reincasing itself in a closed chamber." - Weston A. Price, DDS. What you see above are two x-ray images of the same tooth from one individual. Cure Tooth Decay: How To Prevent & Cure Tooth Decay & Cavities Naturally In The Comfort Of Your Own Home (Cure Tooth, Cure Tooth Decay, Tooth Decay Cure, Whitening, Teeth Health, Teeth Healing). 38 Pages 2015 383 KB 1,361 Downloads New! download "Cure Tooth Decay: How to Prevent & Cure Tooth Decay ... Remedy For Tooth Decay, You'll Find: In depth research on what causes cavities and how we get them Introduction to Human Nutrition 2nd Edition. 386 Pages 2009 4.77 MB 103,134 Downloads. Nutrition: a global perspective on food and nutrition Introduction to Human Nutrition 2nd The Healing Remedies Sourcebook: Over 1000 Natural Remedies to Prevent and Cure Common Ailments. 928 Pages 2012 3.98 MB 8,157 Downloads New! By contrast, Cure Tooth Decay introduces us to Weston Price and Melvin Page, dentists whose work helps us understand the true nature of tooth decay. Dr. Page's discovery is that tooth decay is the result of a biochemical disturbance of the calcium- phosphorous ratio. This imbalance reverses the flow of nutrients through the three miles per tooth of microscopic dental tubules. When minerals are taken from the tooth, it is quite possible that the body is sacrificing the minerals in the teeth for use by the vital organs. Again, this demonstrates how the most ideal solution to cavities is to heal and prevent them with nutrition. The gift of Cure Tooth Decay is that it serves as an invitation. It is not a prescription.
