

## Victory at Mortain: Stopping Hitler's Panzer Counteroffensive

By Mark Reardon

University Press of Kansas. Paperback. Book Condition: new. BRAND NEW, Victory at Mortain: Stopping Hitler's Panzer Counteroffensive, Mark Reardon, A powerful German counterattack in Normandy in August 1944 might have been one of the Wehrmacht's great shining moments in the Second World War. The odds were certainly in their favor. Determined to drive the Allies back to the English Channel, elements of four combat-hardened panzer divisions faced off against a single American infantry division near the town of Mortain. Instead, the Americans held their ground, enabling the Allied armies to secure the invasion and ultimately liberate France. In a vivid recreation of this pivotal battle less celebrated than the encounter at the Falaise Pocket but just as decisive Mark Reardon tells how the 30th Infantry Division held off the German panzer juggernaut, which was designed to drive a wedge between Allied forces. In recounting this showdown, he offers a new perspective on the German defeat in Normandy and a convincing counterpoint to the conventional view of most military analysts that Germany lost the war as a result of Allied materiel superiority or Hitler's strategic meddling. Through vigorous prose laced with compelling anecdotes, Reardon reconstructs the battle from both sides of...

Items related to Victory at Mortain: Stopping Hitler's Panzer Counteroffensive. Reardon, Mark J. Victory at Mortain: Stopping Hitler's Panzer Counteroffensive. ISBN 13: 9780700611584. Victory at Mortain: Stopping Hitler's Panzer Counteroffensive. Reardon, Mark J. 3.77 avg rating. He reveals how professional rivalries and lack of accurate battlefield information hampered the efforts of German generals to execute a successful counteroffensive. He also tells how the U.S. Army profited from the bitter lessons of hedgerow fighting to gain superiority in ground maneuver, fire support, and the use of airpower, logistics, communications, and reconnaissance in the face of more experienced and better armed opponents. Victory at Mortain: Stopping Hitler's Panzer Counteroffensive. Mark J. Reardon. University Press of Kansas. 368 pages; maps; photographs; bibliography; index. \$39.95. Reardon's interview list is poignant, consisting as it does of men who, 60 years ago, turned back the Panzers and demonstrated the growth of the U.S. Army's operational and tactical prowess. Victory at Mortain follows operational decisions taken by the Germans and the Allies through tactical execution, focusing primarily on the efforts of the 30th Infantry Division (ID) in and around Mortain against elements of several German divisions. Reardon lays out the operational architecture for both sides quite clearly.

In a vivid recreation of this pivotal battle—less celebrated than the encounter at the Falaise Pocket but just as decisive—Mark Reardon tells how the 30th Infantry Division held off the German panzer juggernaut, which was designed to drive a wedge between Allied forces. In recounting this showdown, he offers a new perspective on the German defeat in Normandy and a convincing counterpoint to the conventional view of most military analysts that Germany lost the war as a result of Allied materiel superiority or Hitler's strategic meddling. Through vigorous prose laced with compelling anecdote
