Woodlot Licence Management Plan. Handbook. February 2019. Disclaimer. Woodlot licence management plans focus on four main sections: Licensee Statement of Goals Licensee Commitments Resource Inventories Proposed Allowable Annual Cut To follow is a brief description of what the plan should address for each of these sections: 2.1 Statement of Licensee Goals. The management plan should include brief statements regarding the licensee's management goals for the woodlot licence. For existing licensees, your previous management plan should contain these statements, which can be revised as appropriate to suit the current situation. 2.2 Licensee Commitments. This revised edition of The Woodlot Management Handbook is useful, and it fills a niche for woodland owners who are new to forestry and for those contemplating a woodland purchase. (Rob Bryan Northern Woodlands 2010-04-01). The second edition of this guide to private woodland conservation and management is updated to reflect changes in technology and better access to information that has become available in the ten years since its original printing. Focusing on the ecosystems of the northeastern portion of the United States, this volume provides information on ecologically conscious and econom
