Trusts and foundations. Could your trust or foundation support us? 12 million people in the UK are living with a lung condition. That’s more than cardiovascular disease and non-respiratory cancers combined. That’s where we come in. We’re the UK’s only charity supporting everyone affected by lung conditions. We provide hope, help and a voice. Hope: our research finds new ways to prevent, treat and cure lung disease. If you are a trustee, or have links with a charitable trust, foundation or other voluntary funding body, please consider supporting us. To find out more about working with us please get in touch today. Trusts and foundations. The Public Engagement Fund (Wellcome Trust). The Public Engagement Fund supports creative projects that get people more engaged in health research. Baring Foundation. The Baring Foundation strengthens the voluntary sector, arts in education and community. Directory for Social Change Trust Funding. The Directory for Social Change Trust Funding is a website listing grant-making trust funds. You need to pay an annual subscription to use the site. Esmée Fairbairn Foundation. The National Endowment for Science, Technology and the Arts has a range of programmes that aim to support innovation and imagination through creativity in these three key areas. Private foundations and charitable trusts are treated separately in both the statistical and descriptive analyses. In the analyses that follow a number of key topic areas on foundations are discussed, including: Overview of revenue, assets, and grants paid. grants within the United States. the IRS required that foreign foundations, like domestic -foundations, pay an. 4720, Return oii Certain Excise Taxes on Charities and. excise tax.on investment income.. The Lilly Endowment, MacArthur Foundation, and the combined W.K. Kellogg Foundations experienced two-year losses of 18 percent, 8 percent, and 7 percent, respectively.
